- All money collected may be spread throughout the festival activities.
- If possible, a portion of the festival proceeds will go to a project to beautify the Town of North Salem in the future.
- A portion of the raffle ticket sales are donated to the Eel River Township Fire & Rescue.
- A large portion of the money collected will help pay for many hidden aspects of the festival and for the following year such as: Security, maintenance, cleanup, electrical, stage construction, permit fees, insurance, signage, sound equipment are just to name a few.

We are looking for new faces with new ideas and ready to be a part of the excitement Old Fashion Days brings to our community. There are many committees that will not take a lot of your time or take the entire weekend.

In the past, The Old Fashion Days committee has donated money towards new playground equipment, restrooms at the park shelter, flags, fire department, and a new sidewalk from the alley to the community building.

Your continued support is greatly appreciated by all!!
